### Take Plenty Time to Eat.

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.—adv.

## CHEERFUL VALLEY

(Special Correspondence)

Hello, kind editor and all the readers.

Yes, we all went to the Log church Sunday. Why didn't you come, Katie? The program was fine. How did you enjoy the day Pansy?

Quite a few boys around here have gone to Kansas to the harvest. Messrs. Shames, Huggins and Tom Young have gone to get rich. Pity the poor widows.

Mrs. Case is some better.

Wm. Brand has his well about completed; also his house.

Mrs. Walton and son Orie attended all day singing at the Holiness church Sunday.

Joe Frye is cutting wheat for Tom Bogart this week.

Last week's items.

A large crowd attended the services at the Primitive Baptist church Sunday. John Woody and Miss Birdie Gray were there. I expect John thought they were going to have a camp meeting. He brought out for his horses and turned them out on the range. Sunshine. I thought I saw you there. Were you? If you were, you sat on the back seat at the left. Am I mistaken? Katie, Blue Eyes, Rustus, Pansy and Red Wing were there, also.

Almost everybody attended the Cedar Gap Singing.

Mrs. Findley sat up with Mrs. Case Sunday night and Mrs. Jerry Saturday night.

Thomas Young is working in the hay for his mother.

Mrs. Joe Frye are picking cherries at Mrs. Hires.

Wanted—A hoe for Mr. Hires. Anyone having one for sale please notify M. Hires. Rosebud have you any hoes in your neighborhood?

No use for a boy to look forlorn when his too dry in the Ozarks to raise good corn. He can feed the fodder to the goats, and throw the mabbins to the shoats. I have done the best that I know how: I plowed it deep and close at first. But it remained dry as dry could be. I looked and looked and looked in vain. If I do not succeed I'll try again. This is to all the boys who are farming this year, and to the ones who are discouraged.

## MRS. MCGILL BROKE DOWN

Gives the Real Facts in Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good. One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more."

Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui.

Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it.

N. B.—Write to: Ladies' Aid Society, Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
